

YOUR URBAN SANCTUARY

Located in West Vista Complex, The Crest is an ideal modern and stylish place, designed for optimum livability where solitude and a sense of community can exist mutually. The facilities were realized for the residents' ultimate comfort. The unit was priced carefully to demonstrate affordability as well as value-for-money. Attributed by delightful swimming pool, clubhouse, children's pool, and many more, The Crest is the perfect place to treat yourself to an indulgent stay in the heart of the city.

The Crest was developed by Keppel Land, an award winning Singaporean developer known for its quality and innovative development, teamed with internationally acclaimed consultants such as Spanish-based: Codinach Architects and Singapore-based interior firm: Index Design.
